**Anshumaan Singh : Chairman**  
International Business Startup & Entrepreneurs Association

Dear Esteemed Colleagues,

It is with profound pride and boundless enthusiasm that we extend our warmest greetings and introduce the **International Business Startup & Entrepreneurs Association (IBSEA)**. We are honored to present our organization as a socio-economic enterprise dedicated to spearheading equitable development by actively engaging and empowering both national and global youth startups.

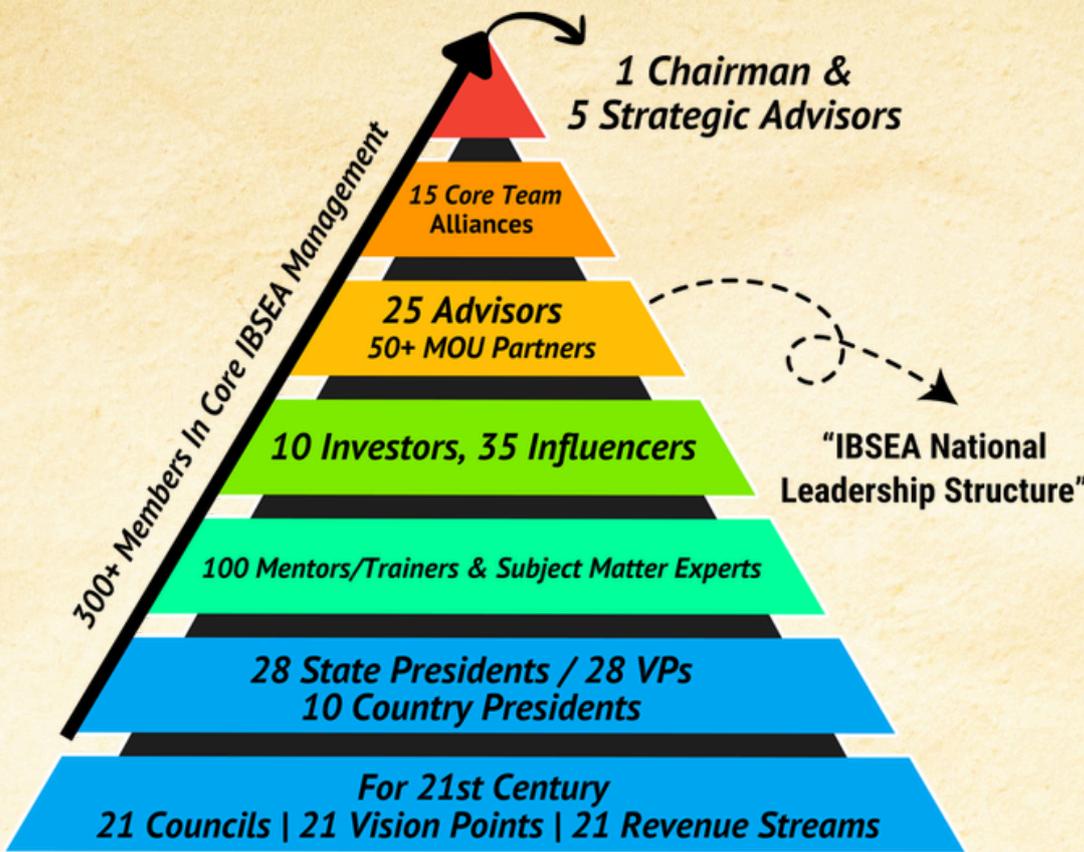

IBSEA is the embodiment of an inspirational and altruistic journey, wholly committed to the noble vision of **Viksit Bharat@2047**. As a community of **strategic policy stakeholders, startup ecosystem enablers, and subject matter experts**, we stand united in our mission to propel the success of entrepreneurs and startups worldwide, fostering the ethos of Viksit Bharat@2047.

We envision IBSEA as the foremost international association that empowers and champions entrepreneurs and startups globally. Our organization serves as a beacon for empowered, impactful entrepreneurship, driving positive change across the globe. Our focus remains on cultivating a thriving ecosystem where innovation flourishes, businesses prosper, and entrepreneurs gain access to the resources and platforms necessary to influence policy and create sustainable growth.

At IBSEA, we believe in the transformative potential of youth entrepreneurship as a driving force behind the achievement of monumental demographic dividends, particularly in the context of the 17 Sustainable Development Goals (SDGs). Through our initiatives, we seek to harness the energy and creativity of youth to build sustainable communities and societies worldwide.

**We invite you to join us** on this journey toward a brighter future, where entrepreneurship goes beyond more economic empowerment to become a catalyst for positive global transformation. Together, let us forge a world where innovation thrives, businesses succeed, and communities flourish.

*Let us unite to catalyze transformation in India's **Tier 2 and Tier 3 cities**, empowering them to become hubs of innovation, growth, and opportunity.*
