

Every PARTNERSHIP WE BUILD

STRENGTHENS OUR MEMBERS.

VOCAL FOR LOCAL & LOCAL TO GLOBAL

Business Outreach

To provide greater PR opportunities for its members and to give startups and entrepreneurs wider recognition, the **International Business Startup & Entrepreneurs Association (IBSEA)** entered into a strategic MoU with **Business Outreach Magazine**.

The MoU was signed by Dr. Anshumaan Singh, Chairman of IBSEA, on **17th February 2024** during the **India Startup Conclave** held at **Radisson Blu, New Delhi**.

The signing ceremony witnessed meaningful discussions on several important areas of collaboration. Joining Dr. Singh at the occasion were Lt. Gen. A.B. Shivane (Strategic Advisor, IBSEA) and Mr. Rahul from Business Outreach Magazine, along with other distinguished participants.

This partnership is set to amplify visibility for IBSEA members, enabling stronger branding, outreach, and business growth opportunities.

IBSEA x Rooman Technologies | Strategic MoU Signed

On 23rd November 2024, at the Dr. Ambedkar International Centre, New Delhi, the **International Business Startup & Entrepreneurs Association (IBSEA)** signed a landmark MoU with **Rooman Technologies Pvt. Ltd.**

The agreement was formalized by **Dr. Anshumaan Singh (Chairman, IBSEA)** and **Mr. Manish Kumar (MD & CEO, Rooman Technologies)** in the esteemed presence of Mr. Sanjeev Bikhchandani (Founder, Naukri.com) and several distinguished dignitaries.

With 24 years of experience, a nationwide network of 198 centers, and recognition as a leader in employment-linked training and IT certifications, Rooman has been transforming careers through job-guaranteed programs, tech-enabled skilling ecosystems, and world-class learning methodologies. Their collaborations with the Government of India, NSDC, NASSCOM, and Skill India further highlight their commitment to making India the Skill Capital of the World.

This strategic partnership will enable IBSEA and Rooman to jointly empower entrepreneurs, job seekers, and students with opportunities that span ideation, incubation, skill development, and career growth—fueling India's vision of Viksit Bharat 2047.

Together, we look forward to creating a stronger, more self-reliant future.

MERI
COLLEGE

To provide a one-stop solution—from ideation to funding, and to empower college students with incubation facilities and world-class mentoring support—**IBSEA has signed a Memorandum of Understanding (MoU) with Meri College (Management Education & Research Institute), Janakpuri, Delhi on 21st December 2024.**

This strategic collaboration was formalized in the esteemed presence of Prof. Lalit Aggarwal (Vice President, Meri Group) and Dr. Tapas Dey (Group Head, Meri Group), marking a significant step towards nurturing entrepreneurial excellence among students.

MSMEs are the backbone of Viksit Bharat 2047, and their growth is essential to realizing this national vision. To strengthen this mission, the International Business Startup & Entrepreneurs Association (IBSEA) is actively working across 21 key sectors, with MSMEs as a prime focus.

On **10th July 2025**, at Hotel Royal Plaza, New Delhi, **IBSEA**, under the leadership of **Chairman Dr. Anshuman Singh**, signed a landmark MoU with the **MSME Chamber of Commerce and Industries of India (MSMECCII)**. The agreement was formalized in the esteemed presence of Dr. Indrajit Ghosh, Global President, MSMECCII. This collaboration will empower MSMEs with new opportunities, aligned with the vision of “Vocal for Local & Local to Global.”

IBSEA will also partner with MSMECCII in their upcoming five-day Global Conference at Vigyan Bhawan, New Delhi, this September.

Together, we move closer to building a stronger, self-reliant India.

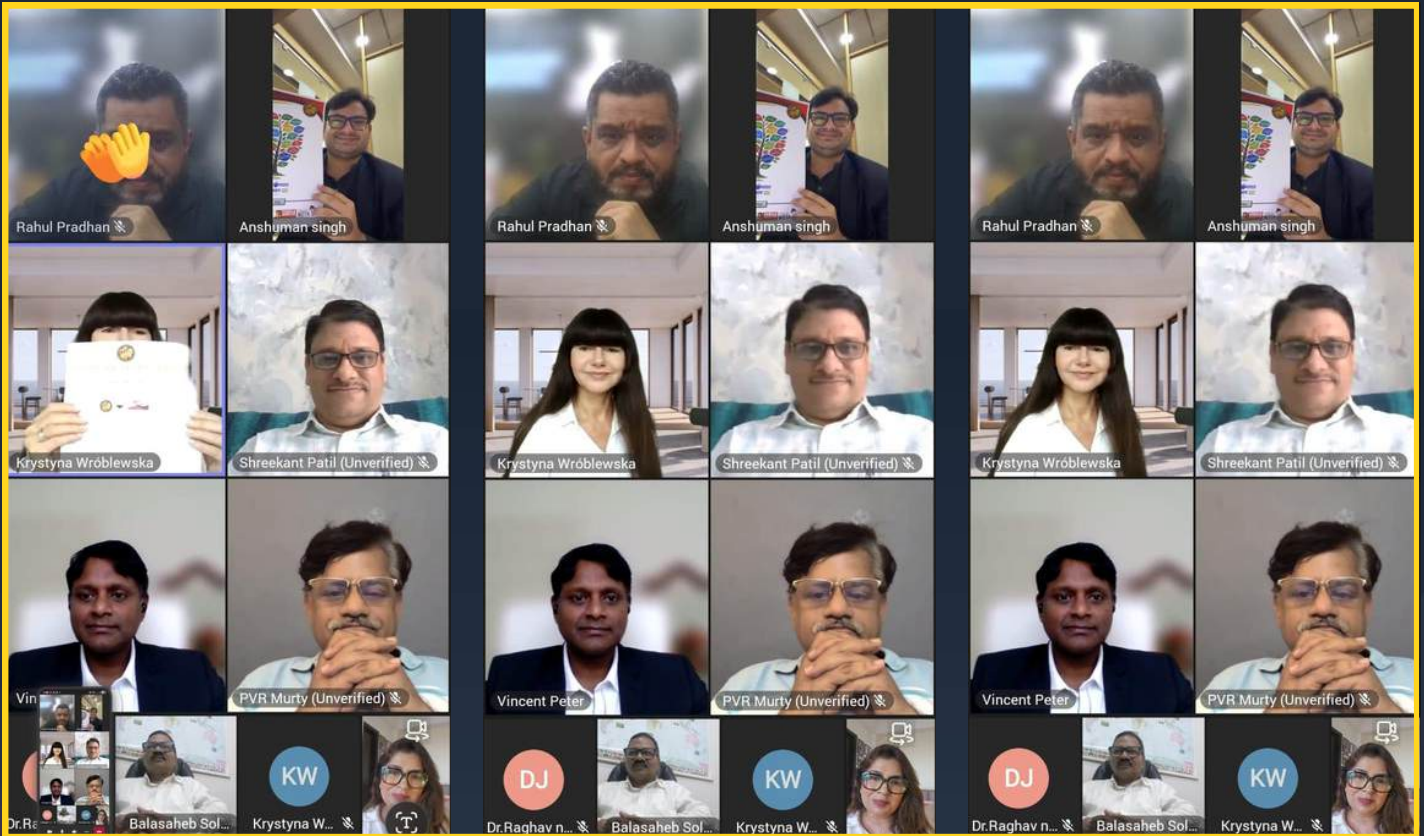

On 29th April 2024, the **International Business Startup & Entrepreneurs Association (IBSEA)** strengthened its vision for advanced technology by signing an **MoU with AICRA (All India Council for Robotics & Automation)**.

IBSEA, under the leadership of Chairman Dr. Anshuman Singh, is working across 21 councils, including the Latest Tech & Cyber Security Council, to create opportunities for its members. AICRA, established in 2014, is the apex body in Robotics, AI, and Automation, supporting over 35,000+ organizations and professionals nationwide. The organization sets industry standards, fosters innovation, and provides scalable models in Robotics, IoT, and AI skill development.

Through this MoU, IBSEA members will gain access to AICRA's ecosystem, enhancing skills, knowledge, and career opportunities.

Together, the partnership will upgrade India's tech capabilities to global standards.

The MoU was signed by **Dr. Anshuman Singh, Chairman IBSEA, and Mr. Raj Sharma, President AICRA**. This collaboration marks another milestone towards making India a global hub for innovation and technology startups.

Global Collaboration

On 7th August 2025, **IBSEA signed a virtual MoU with the Poland–India Chamber of Cooperation**, marking a significant milestone in our global journey.

This partnership strengthens our mission under the Viksit Bharat 2047 vision, fostering growth from ideation to funding, brand creation to global expansion.

We extend deep gratitude to **Ms. Krystyna Wroblewska, Chairperson**, for her invaluable support and collaboration.

The MoU opens new doors for IBSEA members to access opportunities in Poland, while welcoming Polish businesses to India's thriving ecosystem.

Special thanks to **Mr. Shrikant Patil, VP–IBSEA Maharashtra**, and his team for hosting the virtual ceremony with excellence.

We are grateful to our mentors, members, advisors, and leadership team whose dedication drives our mission forward.

We now look ahead to a grand physical signing ceremony in New Delhi, celebrating this landmark collaboration in person.

On 1st April 2025, at the Constitution Club of India, New Delhi, **IBSEA** signed an MoU with the **Entrepreneurs Forum of India (EFI)** and **Vital Vishwa Publications Pvt. Ltd.**

Through this collaboration, IBSEA members will gain end-to-end book publishing, co-authoring, and launch solutions from Vital Vishwa Publications.

EFI will support educational institutions in branding, image building, and acquiring TEDx licenses.

The three partners will jointly organize conferences, award shows, and exhibitions to expand impact and visibility.

They will also drive author engagement programs and digital PR opportunities for IBSEA members.

Together, the organizations aim to foster entrepreneurship, innovation, and knowledge-sharing.

This MoU reflects a shared vision of mutual growth and nation-building initiatives.

On 25th May 2025, at the Constitution Club of India, IBSEA signed a strategic MoU with Atal Incubation Centre – BIMTECH (AIC-BIMTECH), represented by its CEO, Mr. Surya Kant.

This partnership aims to co-organize conferences, workshops, and training programs on innovation and entrepreneurship.

Both organizations will leverage their networks to provide expert mentorship, advisory support, and corporate connections.

They will act as knowledge partners in various initiatives to strengthen the startup ecosystem.

The collaboration also includes joint research, whitepapers, and policy advocacy for startup-friendly regulations.

Together, **IBSEA and AIC-BIMTECH** will drive entrepreneurial growth and innovation excellence across India.

With a vision to empower IBSEA members with international exposure and opportunities for bilateral trade – taking businesses from local to global – Dr. Anshumaan Singh, Chairman of **IBSEA**, signed a Memorandum of Understanding (MoU) with **MIICCIA – Millennial India International Chamber of Commerce, Industry & Agriculture**, represented by its President, Ambassador Anil Trigunayat, on 29th January 2024 at Hotel Lalit, New Delhi.

To foster entrepreneurial mindset development among students and to make them future-ready, a Memorandum of Understanding (MoU) was signed between IBSEA – International Business Startup & Entrepreneurs Association and Velagapudi Ramakrishna Siddhartha Engineering College (under Siddhartha Academy of Higher Education, a Deemed-to-be University in Vijayawada, Andhra Pradesh).

The MoU was officially signed on 1st September 2025 by Mr. Aloor Sain Ganesh, Vice President – IBSEA Telangana, along with the college management.

To help IBSEA members enhance their public speaking and communication skills, Dr. Anshumaan Singh, Chairman of **IBSEA**, signed an **MoU with Author Sherry, Founder of MS Talks and Public Speaking University**.

The MoU was signed on 6th April 2024 at the India International Centre, New Delhi, in the esteemed presence of several IBSEA mentors.

This collaboration will empower members with world-class training, boosting their confidence, communication, and leadership abilities.

To ensure that IBSEA members receive complete support in expanding their businesses to Canada and engage in effective bilateral trade, an **MoU was signed between the International Business Startup & Entrepreneurs Association (IBSEA) and the Canadian Hindu Chamber of Commerce .**

The agreement was formalized on **7th January 2024 at the Constitution Club of India, New Delhi**, under the leadership of Dr. Anshuman Singh, Chairman, IBSEA.

This collaboration will open new avenues for global business expansion, trade partnerships, and cross-border opportunities for IBSEA members.

On 1st April 2025, at the Constitution Club of India, New Delhi, **IBSEA formalized an MoU with P2 LEX PERITUS Intellectual Property Attorneys.**

The partnership ensures comprehensive legal and IP compliance support for startups and businesses under IBSEA. The Second Party specializes in business contracts, dispute resolution, litigation, and regulatory adherence.

It offers end-to-end Intellectual Property Rights (IPR) services, covering trademarks, patents, copyrights, designs, and trade secrets.

The firm provides strategic IP licensing, commercialization, and global portfolio management. Its expertise extends to international IP protection, including cross-border disputes and global filings.

Additionally, it advises on technology law, data privacy, software licensing, and cybersecurity compliance.

With strong startup advisory services, it guides structuring, fundraising, investment strategy, and succession planning.

On 3rd April 2024, the **International Business Startup & Entrepreneurs Association (IBSEA)** signed an MoU with **Delhi Technological University (DTU)** at Pragyan Hall, DTU, during the Industrial Multidisciplinary Socio-Technical Innovation Conference. The primary objective of this MoU is to provide a one-stop startup solution for DTU students, enabling them to access incubation, mentoring, and growth opportunities. The ceremony was graced by the presence of Prof. Prateek Sharma, Vice Chancellor, DTU, along with several distinguished guests from both IBSEA and DTU. This collaboration marks a significant step towards fostering innovation, entrepreneurship, and industry-academia partnerships for the next generation of leaders.

LEGAL SALAH
— GLOBAL —

With a vision to empower IBSEA members through international exposure and bilateral trade opportunities – enabling businesses to expand from local to global – Dr. Anshumaan Singh, Chairman of IBSEA, signed a Memorandum of Understanding (MoU) with **Legal Salaah Global**, a Dubai-based company represented by its Founder, Mr. Sujit Jha, on 29th January 2024 at Hotel Lalit, New Delhi.
