NATIONAL STARTUP DAY 2026 : REPORT

16 JANUARY 2026 AT LAGHU UDYOG BHARATI, NEW DELHI.

NATIONAL STARTUP DAY 2026

GrowthXchange

IBSEA Chairman's Message

The International Business Startup and Entrepreneurs Association (IBSEA) successfully hosted the National Startup Day 2026 “Growth Exchange” Program on 16 January at Laghu Udyog Bharti Hall, New Delhi, commemorating 10 years of Startup India and India’s transformational entrepreneurial journey.

The program witnessed the participation of 50 distinguished startup ecosystem enablers and was honoured by the gracious presence of our Guests of Honour, Mr. Michael Saki Longwa, Minister Plenipotentiary, Embassy of the Republic of South Sudan, and Mr. Solomon Deng K. Agok, Counsellor, Embassy of the Republic of South Sudan, whose insights added immense value to the deliberations.

During the program, IBSEA signed two strategic Memorandums of Understanding with Ms. Nicoleta Ioana Ciufudean, CEO, Romind Welfare Council, and Prof. Ganesh Channa, Founder and President, World Environment Council, marking significant milestones in strengthening international collaboration and sustainability-driven initiatives.

The occasion also marked the formal constitution of the IBSEA Leadership Board, with Alliance Heads presenting upcoming strategic roadmaps, and State Presidents and Vice Presidents sharing actionable plans to expand IBSEA’s impact across their respective states. Our MoU partners, advisors, mentors, and members were present in strong numbers, reinforcing the collective commitment to nation-building through entrepreneurship.

Key highlights included the launch of IBSEA’s Annual Calendar, Corporate Training Program, and the relaunch of our official App and Website. I also presented IBSEA’s two-year Vision Document along with a transparent overview of the organization’s financial performance, while reflecting on the landmark achievements of the Government of India over the last decade under the Startup India mission.

This landmark gathering reaffirmed IBSEA’s unwavering commitment to empowering entrepreneurs, accelerating innovation, and advancing India’s journey towards Viksit Bharat @2047.
