IBSEA का VISION DOCUMENT

- 
1. Build a community of 5,000 Booster Members across India.
 2. Establish 100 Centers of Excellence across colleges and universities nationwide, creating placement opportunities for 1,000 students (10 from each center), while fostering an entrepreneurial mindset in nearly 100,000 students.
 3. Onboard 500 Corporate IBSEA Prime Members.
 4. Formalize 100 MOUs with strategic partners (50 already signed).
 5. Enable 50 companies to scale turnover through corporate training programs.
 6. Empower 50 companies under our Vyapar Badhao initiative.
 7. Appoint 28 State Presidents & Vice Presidents to strengthen grassroots presence.
 8. Expand global presence in 25 countries.
 9. Host 2 Global Conferences and 3 editions of the India@2047 & Bharat Ke Maharathi Awards, honoring 150 nation-builders and 75 emerging companies for their outstanding contributions.
 10. Launch online mentor listings for consultation & training.
 11. Develop a product listing platform (similar to GeM) exclusively for IBSEA members.
 12. Build seamless connectivity with key government ministries and departments to align with national priorities. “Build a robust database of over 100,000 business professionals, achieve a monthly social media reach exceeding 500,000, secure 1,000+ positive Google reviews, and grow a community of more than 100,000 social media subscribers. Additionally, publish four high-quality magazines over the next two years (one every six months).
 13. Organize over 200 small-scale events within two years (approximately seven in each state) to create widespread awareness about IBSEA’s initiatives.

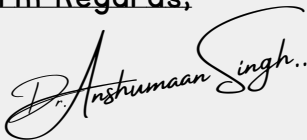

- 
14. In the next two years, we aim to honor 150 outstanding women with the Shashakt Nari, Samriddh Bharat Award, celebrating their leadership, resilience, and contribution to nation-building.
 15. A 100-hour complimentary virtual training program with 100 subject matter experts to be conducted over the next two years.
 16. 10,000 Tree Plantation Drive – Over the next two years, IBSEA will spearhead the plantation of 10,000 trees, reinforcing our commitment to environmental sustainability and climate action.
 17. Adoption of 10 Villages – In collaboration with Kirori Mal College, Delhi University, and with the invaluable guidance of Dr. Heera Lal, IAS (Advisor, Model Gaon & IBSEA Advisor), IBSEA will adopt 10 villages for holistic transformation. This initiative will be executed with active support from District Magistrates and local bureaucrats to ensure sustainable development at the grassroots level.
 18. Youth Skill Development & Education – To commemorate World Youth Skills Day, IBSEA will host two major youth skills programs over the next two years. Under this initiative, we will adopt and empower 100 underprivileged (BPL) students, providing them with enhanced educational and skill development opportunities.
 19. Spiritual Retreats in Uttarakhand – Recognizing the need for inner growth alongside professional excellence, IBSEA will organize two spiritual retreats in Uttarakhand within the next two years, fostering mindfulness, leadership balance, and holistic well-being.
 20. Knowledge & Networking Platforms – IBSEA will host six Directors & Mentors Conclaves and eighteen Growth Exchange Programs—a total of 24 high-impact programs over the next two years. These platforms will drive collaboration, mentorship, and business growth for our members and stakeholders.

21. IBSEA is committed to ensuring that the benefits of every government scheme reach those who need them most. As a policy implementation partner, we aim to collaborate closely with government bodies to drive impact at the grassroots. Over the next phase, our target is to secure appreciation letters from 100+ policymakers and collect positive feedback from over 500 entrepreneurs who have experienced business growth through IBSEA's initiatives. Simultaneously, we will strengthen and upgrade our web portal into a fully technology-driven platform capable of tracking every member's activities, enhancing their network, expanding knowledge, and accelerating sales. This digital transformation will empower all IBSEA community members to maximize opportunities and achieve sustainable growth.
