## INTERNATIONAL BUSINESS STARTUP AND ENTREPRENEURS ASSOCIATION

IBSEA is a non-profit organization dedicated to contributing towards India's vision of becoming a developed nation by 2047. It empowers startups and MSMEs through a structured journey — from ideation to funding, from venture building to brand launch, and ultimately to global scale.

With a strong focus on Tier 2, Tier 3, and rural (village) entrepreneurs, IBSEA is building an inclusive ecosystem supported by 21 sector-based councils, ensuring expert mentorship, investor access, and scalable growth opportunities.
