## INTERNATIONAL BUSINESS STARTUP AND ENTREPRENEURS ASSOCIATION

IB-SEA : WHERE VISION IGNITES VENTURES &  
EXPANDS INTO BUSINESS OCEANS

One Stop Solution for **Entrepreneurs**

# Driving India Towards **Viksit** **Bharat 2047**

IBSEA is on a mission to realise India's bold vision of becoming a fully developed nation by 2047. Through entrepreneurship, innovation, and robust ecosystem building, we are catalysing economic transformation at scale — from metro hubs to Tier 3 cities.

## Entrepreneurship First

Empowering every founder with the tools, network, and capital access to build world-class ventures.

## Innovation at Core

Fostering R&D, technology adoption, and disruptive thinking across every sector of the Indian economy.

## Ecosystem Building

Connecting startups, MSMEs, institutions, investors, and government to co-create a thriving national ecosystem.

# 21 Strategic Councils for 21st Century Growth

IBSEA has established 21 sector-focused councils, each aligned with the demands of modern industry. Identify your domain, connect with peers and mentors, and become part of a powerful national network shaping India's future.

## Technology & AI

Deep tech, SaaS, AI/ML, and digital innovation councils driving India's tech leadership.

## Finance & FinTech

Banking innovation, insurance, capital markets, and financial inclusion at scale.

## Education & EdTech

Future-ready learning, skill development, and institution-to-industry alignment.

## Healthcare & Life Sciences

MedTech, pharma, wellness, and healthcare access for a billion-plus Indians.

## Agriculture & AgriTech

Smart farming, supply chain, agri-finance, and food security solutions.

## Manufacturing & D2C

Make in India, supply chain resilience, and direct-to-consumer brand building.

# One Association. Limitless Opportunities.

IBSEA's ecosystem is built on a foundation of collaborative strength — connecting mentors, investors, partners, and incubators to deliver unmatched value to every member.

100

Mentors

Domain experts guiding founders at every stage of growth.

Build

Fund

Scale

## Package starts from 12 lakh yearly

From solo founders to growing MSMEs, Vyapar Badhao provides structured, stage-specific support that eliminates guesswork and accelerates every milestone on the entrepreneurial journey.

# IBSEA Corporate Training Program

A results-driven transformation framework designed to unlock peak organisational performance. Every programme is customised, expert-led, and outcome-focused.

50 Hours | 10 Days | 10 Trainers

Delivered by certified industry experts

Measurable ROI and productivity outcomes

Available for teams of any size

## Leadership

Executive coaching, change management, and strategic thinking.

## Revenue Boost

Sales acceleration and business development frameworks.

## Productivity

Operational efficiency, time management, and team performance.

# Campus to Corporate Transformation

IBSEA collaborates with universities and institutions nationwide to establish Centres of Excellence (CoE) — bridging the gap between academic learning and real-world entrepreneurship. The result: confident graduates, stronger placements, and a new generation of founders.

## Startup Incubation

Dedicated incubation support for student-led ventures — from ideation through prototype to pitch-ready startups with real investor access.

## Faculty Development

Equipping faculty with entrepreneurship frameworks, industry connections, and practical teaching tools to mentor the next generation of innovators.

## Global Exposure

International competitions, cross-border mentorship, and global industry connect programmes that prepare students for a world-class career or venture.

# India@2047 & Bharat Ke Maharathi Samman

A prestigious national platform that recognises and celebrates 50 extraordinary nation builders every year — leaders, innovators, and changemakers who are actively contributing to India's growth journey and the vision of Viksit Bharat 2047.

## 50 Honourees

Recognised annually across sectors for outstanding national contribution.

## National Visibility

Media coverage, digital amplification, and peer recognition at scale.

## Policy Connect

Direct engagement with government officials, policymakers, and industry leaders.

## Legacy Building

A permanent record of your contribution to India's development story.
